I. Background

Bhilai district is one of the emerging district of Chhattisgarh. The district is very well connected by bus/train with all the major nearby cities like Raipur, and Nagpur etc. The district administration has been successful in creating a pool of skilled youth who are qualified to join industry. But the current scenario in the job market and lack of sufficient industries in the district is making the qualified youth stay back at home rather than utilize their skills to earn their livelihood. Small percentage of them have taken up jobs in cities and migrated. Hon. Chief Minister of Chhattisgarh has a vision to create local employment so as to enable development in the region. Creating local employment will generate wealth for the region to bring social change. Putting youth to work will help the administration fight social challenges as to create a sustainable environment for the growth of the district.

II. Objective

The Bhilai Municipal Corporation is issuing this EOI to identify entrepreneurs/companies/other organizations for “Creation of employment opportunities for the youth by promoting the IT/ITES industry particularly by setting up the BPO/ITES operations”
